

WE BRING THE ICU TO YOU

There. When You Need Us.®

Life Flight Network is the nation's largest not-for-profit air medical service and has provided residents across the Northwest and Intermountain West with the finest air medical transport for almost four decades. Life Flight Network's highly-trained critical care team provide area residents with air medical support 24 hours a day/seven days a week.

When every second counts you can count on Life Flight Network to be there to provide the best possible patient outcome. If EMS or health care providers determine Life Flight Network Air medical service is needed and you are transported by Life Flight Network **your \$69 membership protects you and your family from having any out-of-pocket expenses.**

We're expanding our reach to better serve the community. Whether at the scene of an emergency, or transporting from one hospital to another, we bring the ICU to the patient.
